

The Number One Venue Premium Location Olympic Park Munich

The biggest concerts with the most famous music stars and the highlights of international sports – for these and more, the Olympic Park is the number one venue in Munich. The unique and inimitable atmosphere of the park helps create an extraordinary ambience for many other events as well.

Leading corporations such as Siemens, Allianz or BMW know about the great advantages offered by this premium location, and utilize it for their events and general meetings. Laid out in impressive parkland and presented under the famous tent roof, there are rooms and halls for between 100 to 6,000 people suitable for almost every event. Whether for a general meeting, a product presentation, gala evenings or client and employee incentive events – everything is possible.

The 850,000 m² area offers an exceptional concentration and combination of the most diverse venues: from lounges, foyers, arenas and event halls to a full stadium, a lake stage and much more. The Olympic Park is well connected to the main thoroughfares of Munich and therefore easily and quickly accessible either by car or public transport.

A further guarantor for the successful planning and realization of special events is the Olympic Park Team, whose great commitment and flexibility have won countless admirers. No matter in which sector, experienced members of our staff and partners are at your disposal – providing everything from the newest technology to the most appropriate decorations or delicious catering.
